

Mechanisms of price stabilization for food staples in Almaty city:

Establishment and management of the regional stabilization fund of food products in Almaty city:

- implementation of purchasing interventions;
- execution of commodity interventions.

Purchase and commodity interventions (list, volume, prices) are carried out by the decision of the Commission on ensuring the implementation of mechanisms to stabilize prices for food staples in Almaty city (hereinafter referred to as the Commission), as well as by order of the Akim of Almaty city.

Granting a soft loan to business entities for the production and sale of food staples (hereinafter referred to as FS):

- accepting applications from business entities for a soft loan according to the list of required documents;
- processing of applications/documents, requesting additional documents from business entities if necessary;
- sending the processed applications to the Department of Entrepreneurship and Investment for the subsequent submission of the issue to the meeting;
- in case of a positive decision of the Commission on selecting an entrepreneurship agent for a loan, the issue is submitted to the Management Board of the Company;
- in case of a positive decision of the Board - the conclusion of a loan agreement with the entrepreneurship agent.
